

Great! I found your LinkedIn profile: [Bhagyashree Reddy LinkedIn Profile ↗](#). It shows you as a **B.Tech CSE student, Aspiring SDE, and Algorithms365 Intern** based in Karnataka.  LinkedIn

For your README, update the **Author** section to:

Author

Author

Bhagyashree Reddy

Aspiring Software Development Engineer (SDE) | Full Stack Developer | B.Tech CSE Student

- GitHub: <https://github.com/Bhagyaabbigeri>
- LinkedIn: <https://www.linkedin.com/in/bhagyashree-reddy/>

Career Interests

- Full Stack Development
- Software Engineering
- Web Development
- AI-Powered Applications
- Problem Solving & Data Structures

Current Focus

Building scalable web applications, enhancing software development skills, and working on real-world projects through internships and hands-on learning experiences.

For recruiters, I would also suggest changing your repository title section to:

SDE Full Stack Development Internship Portfolio

SDE Full Stack Development Internship Portfolio

A collection of projects, assignments, and hands-on implementations completed during my Full Stack Development Internship at Algorithms365. This repository demonstrates my practical experience in frontend development, backend

development, database management, API integration, and software engineering best practices.

Tech Stack

- HTML5
- CSS3
- JavaScript
- React.js
- Node.js
- Express.js
- MongoDB
- Git & GitHub
- REST APIs

Internship Outcome

- ✓ Built full-stack web applications
- ✓ Developed RESTful APIs
- ✓ Worked with databases and CRUD operations
- ✓ Applied software engineering principles
- ✓ Practiced version control and collaboration using Git & GitHub
- ✓ Strengthened debugging and problem-solving skills

This version looks much stronger on GitHub and when recruiters visit from LinkedIn.
